Summary (as of Feb 14, 2005)

Save Our Small and Seasonal Businesses Act - Amends the Immigration and Nationality Act to prohibit an alien counted toward the numerical limitation applicable to H-2B nonimmigrants (temporary nonagricultural workers) during any of the three fiscal years prior to submission of an H-2B petition from being counted toward the limitation in the year of petition approval. Makes this provision effective as if enacted on October 1, 2004. Provides for its expiration on October 1, 2006.

Requires the Secretary of Homeland Security to impose a fraud prevention and detection fee on employers filing H-2B petitions. Mandates the deposit of such fees into the Fraud Prevention and Detection Account.

Authorizes additional penalties for a substantial failure to meet any condition of an H-2B petition or the willful misrepresentation of a material fact in such a petition.

Requires the allocation of the numerical limitation on the issuance of H-2B visas (currently, 66,000) such that the total number of H-2B nonimmigrants entering the United States during the first six months of a fiscal year is not more than 33,000.

Directs the Secretary to provide the House and Senate Judiciary Committees with information on: (1) the numbers of aliens granted H-2B status or terminated from H-2B status, on a quarterly basis; and (2) the countries of origin, occupations of, and compensation paid to aliens granted H-2B status, the number of aliens terminated from such status, and the number of aliens provided such status during both the fiscal year reported and the preceding fiscal year, on an annual basis. Requires the Secretary of State to provide information relevant to such reports.
