Summary (as of Jan 4, 2007)

Considers five specified Illinois school districts to be local educational agencies (LEAs) for purposes of the Impact Aid program, which compensates LEAs for the financial burden of federal activities affecting their school districts.

Considers federally connected students in such districts to be attending schools in one such district, North Chicago Community Unit School District 187, for the purpose of making that district eligible for Impact Aid. Conditions such treatment on the agreement of the five school districts to apportion such assistance equitably among all five of them, and to use it only for direct educational services.
