Summary (as of Mar 21, 2007)

Graduation for All Act - Authorizes the Secretary of Education to establish a program that will provide grants to state educational agencies (SEAs) and, through them, subgrants to local educational agencies (LEAs) to establish reading and writing programs to improve overall reading and writing performance among middle and high school students.

Limits eligibility for subgrants to LEAs in a state that are among those that have the lowest graduation rates for public secondary school students. Includes among required uses of LEA subgrant funds: (1) hiring and inservice training of literacy coaches; (2) counseling for at-risk students; and (3) professional development for educators that addresses literacy needs of certain student groups.

Amends the Elementary and Secondary Education Act of 1965 to include public secondary school graduation rates for all students under requirements for: (1) accountability for adequate yearly progress (AYP); and (2) annual state report cards.

Amends the Adult Education and Family Literacy Act to require annual reports on the number participants who are 16, 17, or 18 years old in certain programs and services, disaggregated by certain attributes.
