## Summary (as of Jan 4, 2007)

Student Support Act - Amends the Elementary and Secondary Education Act of 1965 to require the Secretary of Education to make matching grants of at least \$1 million to states for allocation to local educational agencies (LEAs) so that additional school-based mental health and student service providers may be hired, thereby reducing the student-to-provider ratios in elementary and secondary schools to specified levels recommended by the Institute of Medicine of the National Academy of Sciences. Includes school counselors, school psychologists or other psychologists, child or adolescent psychiatrists, and school social workers among such providers.

Requires grants to states and state allocations to LEAs to be made pursuant to specified formulas that take into account a state's and school district's share of disadvantaged children.
