Meth Mouth Correctional Costs and Reentry Support Act - Amends the Omnibus Crime Control and Safe Streets Act of 1968 to require the Director of the Bureau of Justice Statistics to: (1) include in criminal justice system statistics data about the oral health of federal inmates and dental care provided in federal correctional facilities; and (2) conduct a study on how methamphetamine use affects the demand for (and provision of) oral health care in such facilities.

Provides for Department of Justice (DOJ) grants to states and local, territorial, and tribal governments for: (1) oral health dental programs for federal inmates; (2) evaluating the extent to which poor oral health undermines or impedes an inmate's successful reentry into the community; and (3) establishing adult and juvenile offender reentry demonstration projects for inmate oral health programs during incarceration and after release.
