### Summary (as of May 16, 2007)

Directs the Secretary of Veterans Affairs to establish a process for determining whether a geographic area is sufficiently served by the national cemeteries located in that area, taking into account, among other things: (1) the number of veterans living in the area; and (2) the average distance a resident of the area must travel to reach the nearest national cemetery.

Requires the Secretary, in case of an area with insufficient land to establish a cemetery, to consider alternatives such as establishing a mausoleum.
