Gifted and Talented Students Education Act of 2007 - Amends the Elementary and Secondary Education Act of 1965 to authorize the Secretary of Education to award matching grants to states and, through them, competitive subgrants to local educational agencies for the development or expansion of gifted and talented education programs, and the provision of direct educational services and materials.

Specifies that such gifted and talented education programs include: (1) professional development for such students' teachers; (2) the implementation of innovative educational strategies; (3) making materials and services available through state regional educational service centers, institutions of higher education, or other entities; and (4) providing challenging, high-level coursework through technology.
