Energy Security and Foreign Policy Integration Act of 2007 - Amends the National Security Act of 1947 to add the Secretary of Energy as a member of the National Security Council (NSC).

Establishes within the NSC a Directorate of Energy as the lead government entity for formulating and coordinating U.S. national energy security policy.

Directs the President, every four years, to: (1) conduct a quadrennial national energy security review which shall set forth national energy security strategy and establish short- and long-term goals to achieve energy security; and (2) report to Congress on such review.
