States that restrictions imposed on the government of North Korea as a result of its being determined to be a government that has repeatedly supported acts of international terrorism should not be lifted until benchmarks have been met respecting: (1) missile or nuclear technology transfers; (2) cessation of terrorist activities and support of terrorist groups and terrorist activities; (3) counterfeiting of U.S. currency; (4) release of South Korean POWs, Japanese nationals, and Kim Donk-Shik; and (5) Bureau 39's closure.

States that the U.S. government should not provide financial assistance (other than humanitarian assistance) to North Korea until the Secretary of State makes certain certifications regarding refugee status applications.
