Summary (as of Dec 11, 2007)

Wildlife Without Borders Authorization Act - Directs the Secretary of the Interior to carry out a Wildlife Without Borders Program within the U.S. Fish and Wildlife Service to provide international wildlife conservation assistance through the initiation, facilitation, and promotion of locally adapted wildlife management and conservation programs in coordination with non-governmental organizations, governments, private businesses, and community leaders.

Specifies the species, regional, and global program components that shall be included in the Wildlife Without Borders Program. Permits the Secretary, in the administration of the Wildlife Without Borders Program, to accept donated funds and to use them for capacity building, grants, and other on-the-ground uses carried out under the regional and global program components authorized by this Act.
