Securing the Homeland Through Agency Reporting Enhancement Act - Amends title II (Old Age, Survivors and Disability Insurance) (OASDI) of the Social Security Act with respect to any case in which the Social Security account number in the wage records of an employee provided by the employer to the Social Security Administration does not match relevant records otherwise maintained by the Administration.

Requires the Commissioner of Social Security, in such a case, to send a prompt written notice ("no match" letter): (1) informing the employer of the discrepancies; (2) requesting information that would assist the Commissioner in resolving the discrepancies; and (3) informing the employer that a copy of such notice is being forwarded to assist the Secretary of Homeland Security in the enforcement of applicable federal immigration laws relating to employment of individuals who are not authorized to work in the United States.
