Coordinate to Educate Act - Authorizes the Secretary of Education to award: (1) grants of up to three years to local educational agencies (LEAs) to collaborate with health and social service agencies to develop school-linked coordinated service programs for children and families on or near school sites; and (2) grants of up to two years to LEAs to implement such programs pursuant to interagency service delivery plans that have been approved by the Secretary.

Requires program services to be available to all children and families in the service area and, where appropriate, paid for on a sliding scale.

Directs the Secretary, in awarding grants, to give special consideration to areas with high proportions of educationally at-risk students and areas that have a large number of single parent or two-parent, working families.
