Summary (as of Jul 24, 2008)

Directs the Secretary of Homeland Security (Secretary), acting through the Assistant Secretary of Homeland Security (Transportation Security Administration), to require category X or category 1 airport operators to modify their airport security programs to provide for the installation of airport security camera and video surveillance systems.

Requires airport operators to submit their modifications to the Secretary for approval.

Prohibits the use of images from such cameras and surveillance systems against an airport employee involved in an employment disciplinary matter, except in a criminal investigation or prosecution of criminal acts.
