Authorizes the President or a designee to waive any legal requirement under any federal law otherwise applicable to a covered energy project, including any provision of law relating to any administrative protest of any agency action taken with respect to such a project, as the President or such designee determines necessary to ensure expeditious conduct of such project.

Defines "covered energy project" as the construction, operation, or maintenance of any building, structure, or other facility for the development, production, processing, or transmission of energy, including: (1) construction, operation, or maintenance of any oil or natural gas pipeline or refinery; and (2) the leasing of federal lands (including submerged lands) for the exploration, development, production, processing, or transmission of oil, natural gas, or any other source or form of energy.

Actions Timeline

- **Sep 16, 2008:** Referred to the Subcommittee on Energy and Mineral Resources.
- **Sep 11, 2008:** Introduced in House
- **Sep 11, 2008:** Referred to the Committee on Energy and Commerce, and in addition to the Committees on Natural Resources, and Transportation and Infrastructure, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned.
- **Sep 11, 2008:** Referred to the Subcommittee on Energy and Air Quality.
