Endangered Species Recovery Act of 2007- Amends the Internal Revenue Code to allow certain landowners whose property contains the habitat of an endangered or threatened species and who enter into a habitat protection agreement a tax credit for costs relating to habitat protection easements and restoration. Places limits on the amount of such credit for calendar years 2008, 2009, 2010, 2011, and 2012. Directs the Comptroller General of the United States to study and report to Congress on the effectiveness of such credit.

Allows a tax deduction for expenditures related to recovery plans approved by the Endangered Species Act of 1973.

Excludes from gross income certain payments under: (1) the Partners for Fish and Wildlife Program authorized by the Partners for Fish and Wildlife Act; and (2) the Landowner Incentive Program, the State Wildlife Grants Program, and the Private Stewardship Grants Program authorized by the Fish and Wildlife Act of 1956.
