Provides that the pay used to compute monthly compensation based on the death of a federal employee who died from personal injury sustained in the line of duty as a public safety officer, or any survivor annuity under such circumstances, shall be determined based on the pay grade or level which is one grade higher than would otherwise apply.

Entitles anyone who is eligible for such monthly compensation or annuity as the survivor of a public safety officer who died on or after January 1, 1974, to: (1) have such compensation or annuity recomputed upon application submitted within 12 months after enactment of this Act; and (2) a lump-sum payment for the period between January 1, 1974, and the date as of which regular monthly compensation or survivor annuity payments are adjusted to reflect the recomputation

.
