Summary (as of Nov 6, 2007)

Impeaches Richard B. Cheney, Vice President of the United States, for high crimes and misdemeanors.

Sets forth articles of impeachment stating that Vice President Cheney: (1) has purposely manipulated the intelligence process to deceive the citizens and Congress of the United States about a threat of Iraqi weapons of mass destruction, and about an alleged relationship between Iraq and al Qaeda, to justify the use of the U.S. Armed Forces against Iraq in a manner damaging to U.S. national security interests; and (2) has openly threatened aggression against Iran absent any real threat to the United States, and has done so with the U.S. proven capability to carry out such threats, thus undermining U.S. national security.

Actions Timeline
