Summary (as of Mar 8, 2007)

Requires the Director of the National Science Foundation (NSF) to establish a pilot program designated as "Partnerships for Access to Laboratory Science" to award grants to partnerships to improve laboratories and to provide instrumentation as part of a comprehensive program to enhance the quality of mathematics, science, engineering, and technology instruction at the secondary school level.

Requires grants awarded under this Act to be made to a partnership that: (1) includes an institution of higher education or a community college; (2) includes a high-need local educational agency; (3) includes a business or eligible nonprofit organization; and (5) may include a state educational agency, other public agency, national laboratory, or community-based organization.
