Clean, Learn, Educate, Abolish, Neutralize, and Undermine Production of Methamphetamines Act or the CLEAN-UP of Methamphetamines Act - Authorizes the Secretary of Agriculture and the Secretary of the Interior to carry out environmental cleanup and remediation programs involving specified lands that are contaminated with hazardous substances associated with illegal methamphetamine manufacture.

Directs: (1) the Secretary of Transportation and the Administrator of the Environmental Protection Agency (EPA) to designate as hazardous certain byproducts of the methamphetamine production process and expand penalties against laboratory operators; (2) the Administrator of the Drug Enforcement Administration to list byproducts likely to cause long-term environmental harm; (3) the Secretary of Labor, acting through the Occupational Safety and Health Administration, to provide grants to state and local law enforcement for specified training and equipment acquisition; (4) the EPA Administrator to study the impact of methamphetamine laboratory operation on the environment; and (5) the Secretary of Health and Human Services to study contamination issues.

Amends: (1) the Elementary and Secondary Education Act of 1965 to authorize grants to educate students on prevention and treatment of methamphetamine abuse; (2) the Public Health Service Act to authorize grants to provide treatment; and (3) the Omnibus Crime Control and Safe Streets Act of 1968 to include among permissible grant projects under the "cops on the beat" program hiring personnel and purchasing equipment for enforcement, prosecution, and environmental cleanup.

Urges the President to seek commitments from the Canadian government to stem the availability of pseudoephedrine in Canada and its illegal importation into the United States.
