### Summary (as of Feb 12, 2009)

Prohibits, under the Consumer Product Safety Act, the manufacture, sale, distribution, importation, or installation of a residential kitchen range or oven which does not include a device which complies with a consensus product safety standard intended to prevent product tipping.

Requires the Consumer Product Safety Commission (CPSC) to conduct a campaign to educate consumers about range and oven tipping danger and the importance of installing such products in accordance with an applicable consensus product safety standard.
