Summary (as of May 20, 2009)

Food Protection Training Institute Act of 2009 - Amends the Federal Food, Drug, and Cosmetic Act to require the Secretary of Health and Human Services (HHS) to: (1) create a list of uniform food protection training standards for federal, state, and local food regulatory officials and food protection officials as part of overall regulatory program standards; and (2) ensure funding is used to advance food protection and effectiveness and equivalency throughout the food protection system.

Directs the Secretary to provide assistance to establish and maintain a Food Protection Training Institute to conduct activities to improve the safety of the U.S. food supply, including: (1) improving the response and prevention controls capabilities of the national food protection system; and (2) acting as a clearinghouse for research, studies, and findings concerning all aspects of food protection programs.
