Summary (as of Jun 2, 2009)

Automated Defibrillation in Adam's Memory Reauthorization Act - Amends the Public Health Service Act to reauthorize appropriations for grants for states, political subdivisions, Indian tribes, and tribal organizations to develop and implement public access defibrillation programs. Requires that any information clearinghouse that is established by a grantee using grant funds be administered by an organization that has substantial experience in pediatric education, pediatric medicine, and electrophysiology and sudden death.
