Summary (as of Jul 20, 2009)

Reduce Iranian Cyber-Suppression Act - Prohibits the heads of executive agencies from entering into or renewing contracts for the procurement of goods or services from a person that exports sensitive technology (technology that restricts the free flow of information) to Iran.

Authorizes the President to waive such requirement if: (1) it is in the national interest of the United States; and (2) the President reports to Congress the reasons for such determination.
