111 HRES 558	Identical bill	Oct 20, 2009: Motion to reconsider laid on the table Agreed to without objection.

(This measure has not been amended since it was introduced. The summary of that version is repeated here.)

Supports the designation of the week of December 5 as National Computer Science Education Week.

Encourages: (1) identification by schools, teachers, researchers, universities, and policymakers of mechanisms for teachers to receive cutting edge professional development so that they can provide sustainable learning experiences in computer science; (2) exposure of students to computer science concepts; and (3) opportunities for females and underrepresented minorities in computer science.

Supports research in computer science to address what would motivate increased participation in such field.
