Summary (as of Jul 30, 2010)

Commends the Black Barbershop Health Outreach Program for its contribution to community health and the national fight against racial health disparities.

Expresses: (1) the need to support organizations, programs, and initiatives that use culturally relevant education and scientifically based research and that partner with local networks and resources to empower individuals to become informed health advocates in their communities; and (2) a commitment to support community-oriented approaches to health reform in health legislation and initiatives arising at the state and federal levels.
