(This measure has not been amended since it was introduced. The summary of that version is repeated here.)

Recognizes: (1) National Missing Children's Day; and (2) that one of the most important tools for law enforcement to use in the case of a missing child is an up-to-date, good quality photograph (and urges all parents and guardians to follow this precaution). Acknowledges that National Missing Children's Day should remind Americans not to forget the children who are still missing and not to waver in the effort to reunite them with their families.
