### Summary (as of May 25, 2010)

Puppy Uniform Protection and Safety Act - Amends the Animal Welfare Act to define a "high volume retail breeder" as a person who, in commerce, for compensation or profit: (1) has an ownership interest in or custody of one or more breeding female dogs; and (2) sells, via any means of conveyance, more than 50 of the offspring of such dogs for use as pets in any one-year period. Considers such a breeder of dogs to be a dealer.

Requires dealers to include on licensing applications and annual renewals the total number of dogs exempted from exercise on the premises of the dealer in the preceding year by a licensed veterinarian.

Requires the Secretary of Agriculture to promulgate requirements for the exercise of dogs at facilities owned or operated by a dealer, including requiring daily access to exercise that: (1) allows the dogs to move sufficiently in a way that is not forced, repetitive, or restrictive; and (2) is in an area that is spacious, cleaned at least once a day, free of infestation by pests or vermin, and designed to prevent the dogs from escaping. Allows an exemption if: (1) a licensed veterinarian determines that a dog should not exercise because of the health, condition, or well-being of the dog; and (2) such determination is reviewed and updated at least once every 30 days by the veterinarian, unless the basis for the determination is a permanent condition. Subjects such a determination to review and approval by the Secretary.

### Actions Timeline

- **May 25, 2010:** Introduced in Senate
- **May 25, 2010:** Read twice and referred to the Committee on Agriculture, Nutrition, and Forestry. (text of measure as introduced: CR S4223)
