Summary (as of Nov 19, 2010)

Medicare Home Health Flexibility Act of 2010 - Permits a home health agency to determine the most appropriate skilled service to make the initial assessment visit for an individual who: (1) is eligible for home health services under title XVIII (Medicare) of the Social Security Act; but (2) does not require skilled nursing care as long as that skilled service is included as part of the plan of care for such services.

Permits an occupational therapist to make the initial assessment visit in such a case if occupational therapy is included in such plan in the initial physician referral in conjunction with physical therapy or speech language pathology services.

Actions Timeline

- **Nov 19, 2010:** Introduced in Senate
