Summary (as of Mar 9, 2010)

Retraining a New Health Care Workforce Act of 2010 - Directs the Secretary of Health and Human Services (HHS) to develop and submit to Congress within nine months a strategic plan to retrain displaced workers to become health care professionals serving areas with a shortage of the type professionals involved. Requires the plan to include: (1) an overview of national shortages in health care professions; (2) an assessment of how existing federal health care workforce programs may be used to retrain displaced workers; and (3) recommendations for legislative and administrative changes for making such programs more effective.

Requires the Secretary to establish a grant program for states to assist displaced workers to become state-licensed or certified health care professionals serving areas with a shortage of health care professionals.

Actions Timeline

- **Mar 9, 2010:** Introduced in House
- **Mar 9, 2010:** Referred to the House Committee on Energy and Commerce.
