### Summary (as of May 25, 2010)

Bans as a hazardous product any drop-side crib that is sold, offered for sale, manufactured for sale, distributed in commerce, used in public facilities such as hotels or day care centers, or imported into the United States.

Defines "drop-side crib" as any infant crib that has at least one side that moves up and down but does not include a drop-gate crib or any other crib that has immovable sides with a portion of one side capable of being folded down.
