Summary (as of Jun 29, 2010)

Community Mental Health and Addiction Safety Net Equity Act of 2010 - Amends the Public Health Service Act to replace community mental health centers with federally qualified behavioral health centers which treat substance abuse in addition to mental illness and other conditions.

Amends title XIX (Medicaid) of the Social Security Act to extend Medicaid coverage to federally qualified behavioral health center services.

Directs the Institute of Medicine to: (1) evaluate for Congress the combined paperwork burden of federally qualified behavioral health centers; and (2) analyze and report to Congress on the compensation structure of professional and paraprofessional personnel employed by federally qualified behavioral health centers nationwide as compared with the compensation structure of comparable health safety net providers and relevant private sector health care employers.
