Summary (as of Jul 20, 2010)

Mine Worker Safety Hotline Accessibility Act - Amends the Federal Mine Safety and Health Act of 1977 to require: (1) the Secretary of Labor to provide all coal and other mine operators plastic wallet cards, refrigerator magnets, and other similar devices containing the toll-free telephone number and appropriate website address of the national hazard reporting hotline; and (2) each operator to ensure that each miner and miner community receives such devices in order to facilitate the reporting of mine accidents, incidents, injuries, illnesses, possible violations of such Act or of mandatory health and safety standards or plans, or other mine safety and health concerns.
