Summary (as of Jul 20, 2010)

Amends the Patient Protection and Affordable Care Act to repeal provisions authorizing appropriations to the Department of Health and Human Services (HHS) for debt service on, or direct construction or renovation of, a health care facility that provides research, inpatient tertiary care, or outpatient clinical services and that meets certain requirements, including a requirement that it is critical for the provision of greater access to health care within the state. Rescinds any unobligated balances available on the date of enactment of this Act of funds appropriated to HHS for such provisions and requires all amounts made available under such section before such date to be returned to the Treasury.
