National Child Protection Training Act - Directs the Secretary of Health and Human Services (HHS) to enter into an agreement with the National Child Protection Training Center to establish and sustain Regional Training Centers in the midwestern, northeastern, southern, and western regions of this country.

Requires the Regional Training Centers to: (1) provide child protection professionals in the field with low-cost, high-quality training, technical assistance, and publications; (2) provide child protection professionals with ongoing training and assistance in developing evidence-based community prevention programs; (3) develop model undergraduate and graduate curricula on child maltreatment and, upon the Secretary's approval, disseminate them to institutions of higher education (IHEs); and (4) assist states in developing and maintaining forensic interview training programs.

Directs the National Child Protection Training Center to award grants to state and local governments and other nonprofit entities to: (1) assist state and local child protection professionals in developing statewide forensic interview training programs; or (2) expand forensic interview training programs to provide for additional, advanced forensic interview training courses.

Directs the National Child Protection Training Center to award grants to state and local governments and other nonprofit entities to assist IHEs in implementing or expanding model undergraduate or graduate curricula on child abuse and neglect.
