### Summary (as of Sep 29, 2010)

South Utah Valley Electric Conveyance Act - Requires the Secretary of the Interior, insofar as the Strawberry Water Users Association conveyed its interest in an electric distribution system to the South Utah Valley Electric Service District, to convey and assign to the District: (1) all interest of the United States in all fixtures owned by the United States as part of the electric distribution system and the federal lands and interests where the fixtures are located; (2) license for use in perpetuity of the shared power poles; and (3) licenses for use and access in perpetuity to specified project lands and interests and corridors where federal lands and interests are abutting public streets and roads and can provide access to facilities.

Requires the District to assume all liability from the United States for the administration, operation, maintenance, and replacement of such electric distribution system.
