111 HRES 1750	Related bill	Dec 2, 2010: Referred to the House Committee on Energy and Commerce.

Recognizes the 20th anniversary of the National Institutes of Health (NIH) Office of Research on Women's Health (ORWH). Commends ORWH for its leadership in women's health research, research training, and science-based education programs.

Recognizes: (1) the ORWH-supported scientists whose studies have improved women's health and whose research continues to yield promising discoveries; and (2) the volunteers who participate in clinical studies and the patient and professional health organizations that contribute to the shared research goals of preventing, treating, and curing the diseases and disorders within the scope of ORWH's mission.

Reaffirms the Senate's support for ORWH and its continued commitment to carrying out research to improve women's health.
