Summary (as of Feb 10, 2009)

Fugitive Information Networked Database Act of 2009 or the FIND Act of 2009 - Permits a state attorney general to apply for Department of Justice (DOJ) grants to develop and implement or upgrade systems for the preparation, submission, and validation of state felony warrants that are compatible and interoperable with the National Crime Information Center database. Allows grant funds to be used to hire additional personnel to validate warrants entered into the database.

Directs the Federal Bureau of Investigation (FBI) to provide state and local government agencies the technology to make state and local warrant databases compatible and interoperative with the National Crime Information Center database.

Authorizes appropriations for the Fugitive Apprehension Task Forces and for the extradition of fugitives through the Justice Prisoner and Alien Transport System.
