## Summary (as of Mar 17, 2011)

American Health Security Act of 2011 - Establishes the State-Based American Health Security Program to provide every U.S. resident who is a U.S. citizen, national, or lawful resident alien with health care services. Requires each participating state to establish a state health security program.

Eliminates benefits under: (1) titles XVIII (Medicare), XIX (Medicaid), and XXI (Children's Health Insurance) (CHIP, formerly known as SCHIP) of the Social Security Act; (2) the Federal Employees Health Benefits Program; and (3) TRICARE.

Repeals provisions of the Patient Protection and Affordable Care Act (PPACA) related to health insurance coverage, including provisions concerning state health insurance exchanges.

Requires each state health security program to prohibit the sale of health insurance in that state that duplicates benefits provided under the program.

Establishes the American Health Security Standards Board to: (1) develop policies, procedures, guidelines and requirements to carry out this Act; (2) establish uniform reporting requirements and quality performance standards; (3) provide for an American Health Security Advisory Council and an Advisory Committee on Health Professional Education; and (4) establish a national health security budget specifying the total federal and state expenditures to be made for covered health care services.

Establishes the American Health Security Quality Council to: (1) review and evaluate practice guidelines, standards of quality, performance measures, and medical review criteria; and (2) develop minimum competence criteria.

Establishes the Office of Primary Care and Prevention Research within the Office of the Director of the National Institutes of Health (NIH).

Creates the American Health Security Trust Fund and appropriates to it specified tax liabilities and current health program receipts, including premium assistance credits under PPACA.
