High School Data Transparency Act of 2011 - Amends the Elementary and Secondary Education Act of 1965 to require the Secretary of Education to collect the following information annually from each coeducational secondary school that receives federal financial assistance and that has an interscholastic athletic program: (1) the number, gender, and race or ethnicity of students that attended the school; and (2) for each team that competed in athletic competition, the number, gender, and race or ethnicity of participants, the total expenditures, the number, gender, and employment status of trainers, medical personnel, and coaches, the number of competitions, and postseason record.

Requires such schools to: (1) make such information available to students and potential students, upon request, and to the public by October 15 of each school year; (2) ensure that all students at the school are informed of their right to request such information; and (3) annually provide such information to the Secretary.

Directs the Secretary to: (1) ensure that such information is posted on the Department of Education's website, (2) notify all secondary schools regarding the availability of the information, and (3) issue guidance on how to collect and report the information required under this Act.
