3-D, Domestic Jobs, Domestic Energy, and Deficit Reduction Act of 2011 - Considers that the Secretary of the Interior has approved the Draft Proposed Outer Continental Shelf Oil and Gas Leasing Program 2010-2015 as a final oil and gas leasing program under the Outer Continental Shelf Lands Act. Deems the Secretary to have issued a final environmental impact statement for such Program under the National Environmental Policy Act of 1969 (NEPA).

Directs the Secretary to: (1) conduct a lease sale in each outer Continental Shelf planning area for which there is a commercial interest in purchasing federal oil and gas production leases, (2) approve or disapprove a drill permit application within 20 days after submission, and (3) hold lease sales for specified areas in the Central Gulf of Mexico, Western Gulf of Mexico, and the state of Virginia.

Grants the United States Court of Appeals for the Fifth Circuit exclusive jurisdiction over challenges to offshore energy projects and permits to drill carried out in the Gulf of Mexico.

Directs the Secretary to implement an oil and gas leasing program in land within the 1002 Coastal Plain Area of Alaska. Authorizes the Secretary to designate up to 45,000 acres of the Coastal Plain as a special area for preservation of its unique and diverse character.

Directs the Secretary to: (1) administer the leasing program with respect to Coastal Plain environmental protection according to the no significant adverse effect standard, (2) issue rights-of-way and easements across the Coastal Plain for the transportation of oil and gas, and (3) convey specified surface estates to the Kaktovik Inupiat Corporation and to the Arctic Slope Regional Corporation.

Establishes the Arctic National Wildlife Refuge (ANWR) Alternative Energy Trust Fund.

Amends the Oil Shale, Tar Sands, and Other Strategic Unconventional Fuels Act of 2005 to require the Secretary to conduct related lease sales in any state during any period when there is sufficient state support and interest in the development of tar sands and oil shale resources.

Grants the U.S. District Court for the District of Columbia exclusive jurisdiction to hear all causes and claims arising from any covered project of federal land leasing for exploitation of oil, natural gas, or any other source or form of energy.

Amends NEPA to require completion and review of environmental impact statements within 270 days after their commencement or the action concerned shall be considered a final agency action with no significant environmental impact.

Amends the Clean Air Act to: (1) declare that carbon dioxide, methane from agriculture or livestock, and water vapor are not air pollutants; and (2) require an economic analysis of any requirement of the Act that results in an adverse effect on employment. Requires the Secretary of commerce to establish an economic review board to assess such an analysis.

Amends the Endangered Species Act of 1973 (ESA) to require the the Secretary of the Interior or the Secretary of Commerce, as appropriate, upon a state governor's declaration of an emergency, to exempt from the prohibition against taking, and against adverse modification of critical habitat, any action reasonably necessary to avoid or ameliorate the impact of the emergency, including the operation of any water supply or flood control project by a federal agency.

Prohibits consideration of the impact of greenhouse gas on any species of fish or wildlife or plant for any purpose in the implementation of the ESA.

Instructs the Administrator of the Environment Protection Agency (EPA) to approve the specification of the areas described in the notice entitled "Final Determination of the Assistant Administrator for Water Pursuant to Section 404(c) of the Clean Water Act Concerning the Spruce No. 1 Mine, Logan County, WV."

Instructs the Secretary of the Interior to issue or reissue each lease for the production of oil or gas in the state of Utah that was canceled during calendar years 2009 through 2011.

Prohibits the Bureau of Reclamation of the Department of the Interior and any California state agency operating a water project in connection with the Central Valley Project from restricting operations of an applicable project pursuant to any biological opinion issued under ESA if it would result in a level of allocation of water less than the historical maximum allocation under the project.

Directs the Secretary of State to expedite the permit request for the Keystone XL pipeline without considering greenhouse gas impacts during the permit review process.

Instructs the EPA Administrator to issue without further review or analysis a permit to Shell Oil Company to drill for oil in the Beaufort Sea.

Prohibits the award or federal payment of legal fees to an environmental nongovernmental organization in connection with any action: (1) preventing, terminating, or reducing access to production of energy, mineral resources, water by agricultural producers, a resource by commercial or recreational fishermen, or grazing or timber production on federal land; (2) diminishing a property owner's private property value; or (3) eliminating or preventing one or more jobs.
