Summary (as of Jul 20, 2011)

Tax Lien Simplification Act - Amends the Internal Revenue Code to revise procedures for the filing of federal tax liens.

Direct the Secretary of the Treasury to: (1) establish and maintain a federal tax lien registry, in lieu of filing tax liens in local jurisdictions, which would be accessible to and searchable by the public through the Internet at no cost; (2) take appropriate steps to secure and prevent tampering with the data recorded in the registry; and (3) review the information in the registry to determine whether information in the registry should be excluded or protected from public viewing.

Establishes the priority of a federal tax lien based upon the date and time of the filing of a notice of lien in the federal tax lien registry.

Reduces the period for releasing satisfied or unenforceable tax liens from 30 to 20 days.
