Related Bills

Bill	Relationship	Last Action
112 HR 14	Related bill	Mar 21, 2012: Referred to the Committee on Transportation and Infrastructure, and in addition to the Committees on Ways and Means, Natural Resources, Energy and Commerce, Agriculture, Science, Space, and Technology, the Budget, Oversight and Government Reform, Financial Services, Education and the Workforce, and Foreign Affairs, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned.

Establishes in the Treasury a trust fund to be known as the National Endowment for the Oceans (NEO) to: (1) allocate funding to coastal states and affected Indian tribes, (2) make grants to regional ocean and coastal planning bodies, and (3) develop and implement a National Grant Program for Oceans and Coastal Waters.

Directs the Secretary of Commerce to serve as trustee.

Requires that funds be allocated by the Secretary only to fund grants for programs and activities to restore, protect, maintain, or understand living marine resources and their habitats and resources in ocean and coastal waters, including baseline scientific research, ocean observing, and other programs and activities carried out in coordination with federal and state agencies, that are consistent with federal environmental laws and that avoid environmental degradation.

Directs the Secretary to allocate from the amounts to be distributed among states each fiscal year: (1) 50% equally among coastal states, (2) 25% based on tidal shoreline miles, and (3) 25% based on the coastal population density of a coastal state. Limits the percentage of total funds that a state or territory may receive in any fiscal year.

Requires, upon the establishment of a Gulf Coast Restoration Trust Fund, that specified interest and investment proceeds from such Fund be transferred to the NEO.

Actions Timeline

- **Dec 14, 2011:** Introduced in Senate
- **Dec 14, 2011:** Read twice and referred to the Committee on Commerce, Science, and Transportation.
