Summary (as of Feb 9, 2012)

Comprehensive Cancer Care Improvement Act of 2012 - Amends title XVIII (Medicare) of the Social Security Act to provide for coverage of comprehensive cancer care planning services.

Directs the Secretary of Health and Human Services (HHS) to make grants to eligible entities to improve the quality of: (1) graduate and postgraduate training of physicians, nurses, and other health care providers in developing cancer care plans for, and communicating such plans to, patients; and (2) continuing professional education regarding the development and communication of written cancer care plans that outline a system of care that coordinates active treatment and palliative care.

Requires the Secretary to provide investment, through existing programs, for research on topics related to cancer care planning and coordination, symptom management, palliative care, and comprehensive survivorship care.
