### Summary (as of Jun 23, 2011)

Robin Danielson Act - Amends the Public Health Service Act to require the Director of the National Institutes of Health (NIH) to provide for the conduct or support of research on the extent to which additives in feminine hygiene products pose any risks to the health of women or the health of the children of women who use those products during or before the pregnancies involved.

Requires the Director of the Centers for Disease Control and Prevention (CDC) to: (1) collect, analyze, and make available data on toxic shock syndrome, including data on the causes of such syndrome; and (2) determine the national incidence and prevalence of such syndrome.
