Summary (as of Apr 26, 2012)

Air Ambulance Services Clarification Act - Requires that with respect to an air ambulance and the medical services provided within an air ambulance, the term "law, regulation, or other provision having the force and effect of law related to a price, route, or service of an air carrier," for federal preemption purposes, may not be construed to include any medical care-related license and certification requirements based on medical standards effectuated pursuant to a state's authority over the licensure and regulation of health care within its borders.

Describes the medical and related medical care standards to which this Act applies.
