## **Summary** (as of Aug 1, 2011)

---

Prevention of Wasteful and Unneeded Coins Act of 2011 - Amends federal law governing coins and currency to prohibit, for a 15-year period, the issuance of \$1 dollar coins honoring each of the Presidents of the United States.

Authorizes the Secretary of the Treasury to resume issuance of such coins if the demand for \$1 coins exceeds the number of them held in reserve.

Prohibits the Secretary from issuing any \$1 coins if it would result in an excess stockpile of \$1 coins not in circulation.

Repeals the requirement that the number of \$1 coins minted and issued in a year with the Sacagawea design on the obverse be at least 20% of the total of such coins.

Repeals the requirement that, during an introductory period, all institutions that want to are able to obtain unmixed supplies of each newly-issued design of \$1 coins minted under the President \$1 and the First Spouse bullion coin programs.
