(This measure has not been amended since it was reported to the House on July 19, 2012. The summary of that version is repeated here.)

Y Mountain Access Enhancement Act - Directs the Secretary of Agriculture (USDA), upon request by Brigham Young University, to convey an approximately 80-acre parcel of National Forest System land in the Uinta-Wasatch-Cache National Forest in Utah.

Requires Brigham Young University to pay to the Secretary an amount equal to the fair market value of such land, as determined by an appraisal approved by the Secretary. Requires such consideration to be deposited in the general Treasury fund to reduce the federal deficit.

Directs Brigham Young University, after the conveyance, to represent that it will: (1) continue allowing the same reasonable public access to the trailhead, and the part of the Y Mountain Trail already owned by the University, as has been historically allowed; and (2) allow such access to the part of the Trail and the "Y" symbol located on the conveyed land.

Requires that the exact acreage and legal description of the land to be conveyed be determined by a survey that is satisfactory to the Secretary.

Requires Brigham Young University to pay the costs of the survey and appraisal and any administrative analyses required by law.
