Related Bills

No related bills are listed.

Summary (as of Nov 3, 2011)

Recognizes: (1) the disparate impacts of climate change on women and the efforts of women globally to address it, and (2) the need for balanced participation of men and women in climate change adaptation and mitigation efforts.

Encourages the use of gender-sensitive frameworks in developing climate change policies.

Affirms Congress's commitment to: (1) support women who are particularly vulnerable to prepare for and adapt to climate change impacts; (2) empower women in the planning, design, implementation, and evaluation of climate change strategies; and (3) include women in economic development planning, policies, and practices that directly improve conditions that result from climate change.

Encourages the President to: (1) integrate a gender approach in all U.S. policies and programs that are globally related to climate change; and (2) ensure that those policies and programs support women globally to prepare for and adapt to climate change.

Actions Timeline
