Summary (as of Jan 8, 2014)

(This measure has not been amended since it was introduced. The summary of that version is repeated here.)

Amends the Controlled Substances Act to prohibit a veterinarian who is registered to manufacture or distribute controlled substances from being required to have a separate registration in order to transport and dispense controlled substances in the usual course of veterinary practice at a site other than such veterinarian's principal place of business or professional practice, as long as the site of transporting and dispensing is located in a state where the veterinarian is licensed to practice.
