## Summary (as of Jul 31, 2013)

---

Enumerated Powers Act - Requires each Act of Congress, bill, resolution, conference report, or amendment to contain a concise explanation of the specific constitutional authority relied upon as the basis for enacting each portion of the measure.

Permits a statement of constitutionality, to the extent that a measure limits or abolishes any federal activity, spending, or power overall, to cite the 9th or the 10th Amendment to the U.S. Constitution.

Declares that invoking one or more specified parts of the following clauses in a statement of constitutionality is not sufficient to satisfy the requirements of this Act: (1) the enumerated spending clause; (2) the necessary and proper clause; or (3) the commerce clause for any purpose other than the regulation of the buying and selling of goods or services, or their transportation, across boundaries with foreign nations, across state lines, or with the Indian tribes.

Declares that failure to comply with this requirement shall give rise to a point of order in either chamber.

## Actions Timeline

---

- **Jul 31, 2013:** Introduced in Senate
- **Jul 31, 2013:** Read twice and referred to the Committee on Rules and Administration.
